This Invoice and these Terms and Conditions shall constitute the Agreement between Seller and Buyer. If the terms and conditions of this Agreement differ in any way from the terms and conditions of Buyer's purchase order or any other document submitted by Buyer, this agreement will be construed as a "counteroffer" and will not be deemed an acceptance of Buyer's terms and conditions which conflict herewith. Buyer's acceptance of the products shall be conclusive presumption that Buyer has accepted all of the terms and conditions of the Agreement. No addition to or modification of any of these terms will be effective unless made in writing and signed by Seller and Buyer.
